Work experience

Dates

September, 1st 1999 - July, 11th 2001

Occupation or position held

Undergraduate student in Medical Biotechnologies, involved at the "**Istituto Nazionale per lo studio e la cura dei tumori**" in Milan

Type of business or sector

Experimental research training in Cancer Biology

Dates

November, 1st 2001 - March, 26th 2007

Occupation or position held

PhD student in Cellular and Molecular Biology at **San Raffaele Scientific Institute in Milan**, with a project entitled: "Sorting and activation of Ocular Albinism type 1 protein, a G protein-coupled receptor of intracellular organelles".

Type of business or sector

Predoctoral research activity in protein trafficking and transport

Dates

March, 27th 2007 - June, 30th 2007

Occupation or position held

Visiting Assistant Researcher at the **University of California Los Angeles, USA**, involved in the following project: "Search for the protein(s) interacting with two sorting determinants of Ocular Albinism type 1 protein".

Type of business or sector

Short-term postdoctoral collaboration in biochemistry

Dates

November, 10th 2007 – February, 9th 2012

Occupation or position held

Research Fellow at **Harvard Medical School in Boston, USA**, involved in the following project: "Dissecting the mechanisms regulating proteasome and p97-complex function in normal, atrophying and growing skeletal muscles".

Type of business or sector

Postdoctoral Fellow in protein degradation field

Dates

March, 1st 2012 – present

Occupation or position held

Head of the "Neuromuscular Dysfunctions Unit" at **Mario Negri Institute for Pharmacological Research IRCCS in Milan (IRFMN)**, Department of Neurosciences, engaged in coordinating a team with various independently granted projects of muscle-related diseases.

Organisation providing education and training

Mario Negri Institute for Pharmacological Research IRCCS, Milan, Italy

Education

Dates

July, 11th 2001

Title of qualification awarded

Laurea Summa cum Laude in Medical Biotechnologies

Organisation providing education and training

University of Milan, Italy

Dates

January, 1st 2003 - December, 12th 2006

Title of qualification awarded

International PhD in Cellular and Molecular Biology awarded on January 25th, 2007

Collaboration between San Raffaele Scientific Institute, Milan and the Open University in London.
